

“New Hokkaido style” security declaration

We work for “seven habits” to prevent the spread of new coronavirus infection !

1. Our staff wear masks, and wash hands frequently.

- Wear masks.
- Wash and disinfect our hands thoroughly.

2. We thoroughly keep the health of our staff.

- Check the body temperature of the staff before work.

3. We regularly ventilate the room.

- Ventilate the room by air conditioner.

4. We regularly disinfect and clean equipment and instrument.

- Disinfect chairs, tables, and so on by the cleaning staff.

5. We reduce contact between people.

- Put up a notice for supporting social distancing.

6. We promote the etiquette of coughing and washing hands to customers.

- Put up a notice for cooperation in wearing masks and disinfecting hands.
- Install hand sanitizers in the room.

7. We actively inform our customers what we are working for the rental room by using bulletin board and our website.

(Store name) Facilities & Lounge

We appreciate your cooperation in keeping the rental room secure.

1. Please wear masks in the rental room.

Except eating and drinking in the rental room, we ask customers for cooperation in wearing masks as much as possible.

2. Please keep distance between sheets. (social distancing)

We ask customers to cooperate to keep distance as much as possible when they take seats.

3. Please carry out disinfection for hands.

Disinfectant is ready near the door. We would like you to cooperate in disinfecting your hands, when using the rental room.
